Property Description

Breathing tranquility and well-being, the OASIS 28 project is the result of a unique urban rehabilitation project in Saldanha area.

55 apartments T0 to T4, exclusive, modern and elegant mirror the best that the city has to offer.

The Development also features parking, garden, terrace, storage and pool*.

Being currently build according to the highest standards and high quality finishes, is the exterior that often establishes the color and texture, and creates areas of visual and highlights that end up defining the style of the project, where out of the day-to-day mess, you can relax in your private Oasis.

About Saldanha:

A premium area in Lisbon with luxurious residential apartments designed for a modern generation. A center of enormous urban dynamism where a new way of life, tranquility and leisure is being born and an incredibly attractive area to live where modern rehabilitation projects are located for rental purposes or even with the intention of being family homes.

Saldanha is one of the areas of Lisbon with greater accessibility and shopping centers, gyms, restaurants and universities can be found in the area. In Oasis 28 you are close to everything you need and a lot more...

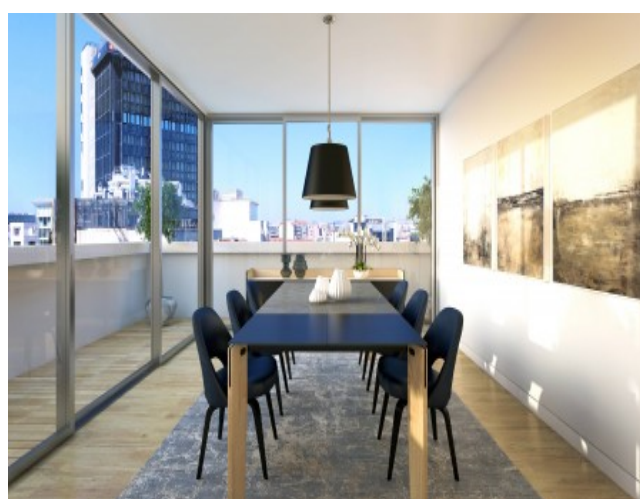

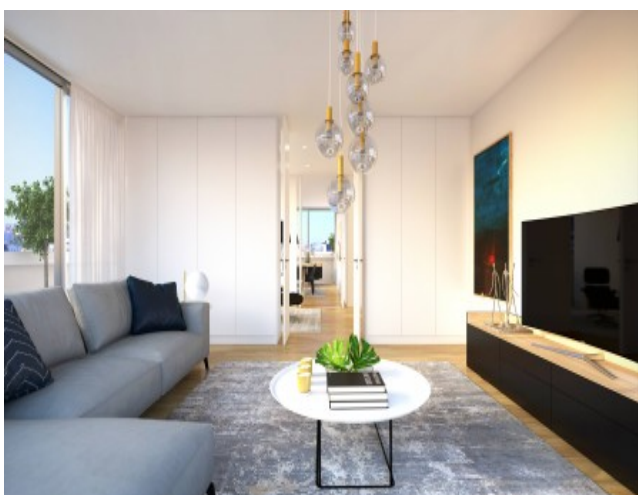

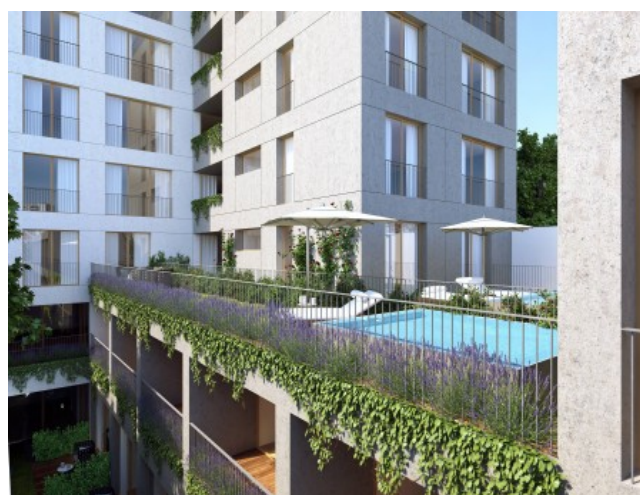

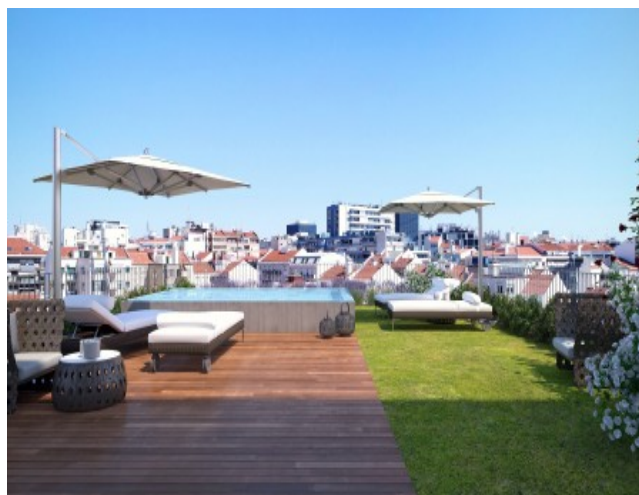

*Check the units to know what units have terrace, balcony and pool.

** Possibility to convert units 10B and 10c into a 4 bedroom penthouse.
