Property Description

Lisbon's most elegant and trendiest neighborhood.

This is one of the most beautiful squares in all Europe, opening southwards onto the huge Tagus estuary. Until the era of mass aviation, this was Lisbon's great reception hall for visitors arriving by sea even better able to enjoy its beauty from their vantage points on slowly docking vessels.

It was at the dock here that the Kings and Heads of State would disembark when visiting Portugal.

Also known as Terreiro do Paço, Praça do Comércio square (Commercial Square in English) is one of Lisbon's more well-known attractions located next to the Tagus river.

The fabulous one bedroom apartment located between Praça do Comercio and Chiado features with well end finishes, recently refurbished, equipped kitchen, air conditioner, on the second floor 53,70 sqm building with lift, is great opportunity of investment.
