Property Description

The Avenida da Liberdade is Lisbon's main boulevard filled with luxurious shops, high-end restaurants and trendy bars. This exclusive area offers the best properties for investment in Lisbon.

It is the most beautiful avenue of Lisbon.

You will see some beautiful paved walkways with patterns and many centenary trees here, as this was originally a garden that served all the mansions and palaces of the avenue.

This particular apartment is part of a building that was fully refurbished in 2018. It faces one of the most emblematic squares in Lisbon, The Restauradores square.

It features two bedrooms, one of them en suite, two spacious bathrooms and a stunning bright living room.

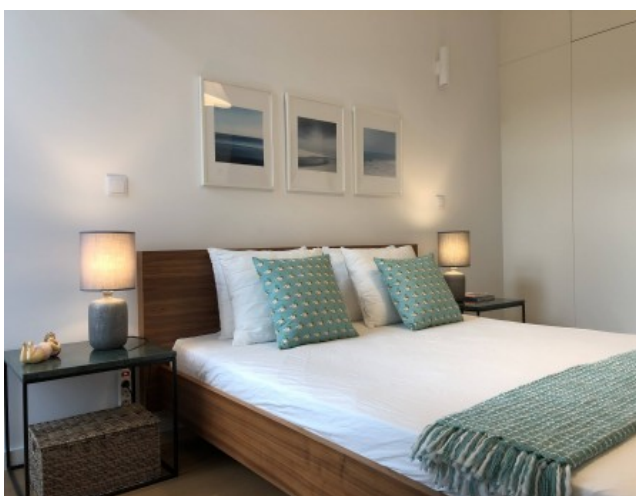

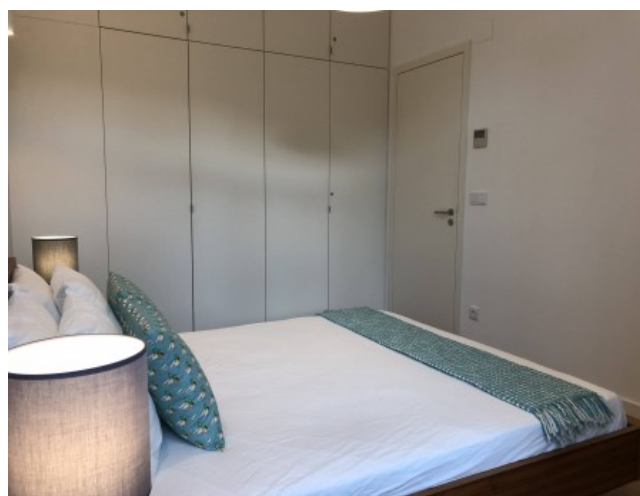

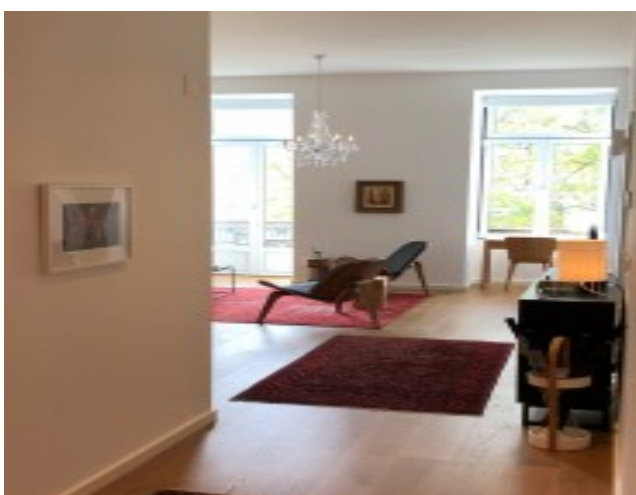

It includes two small balconies facing the Square, which are ideal for a lovely breakfast in the morning or some cocktails at the evening.
