Property Description

This two bedroom apartment, with 49 sqm, will be delivered with high end finishings and fully equipped kitchen with Bosch appliances.

Príncipe Real is one of the most cosmopolitan areas of Lisbon. It is a wealthy area with elegant mansions, museums, shops and exciting bars and restaurants. It is also an idyllic residential neighbourhood with many modern properties for sale.

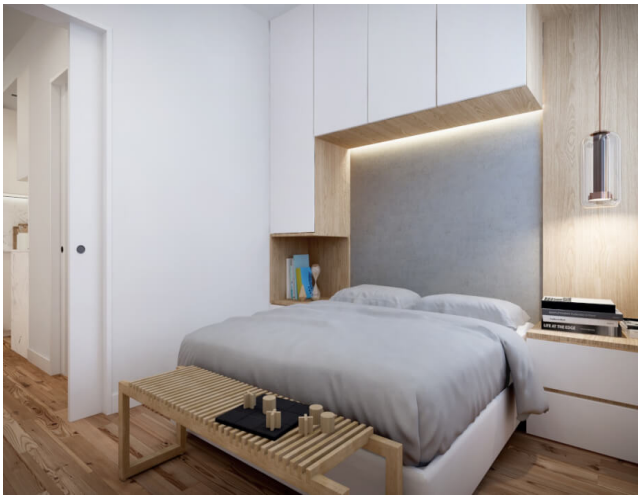

Considered one of the preferred address of young Portuguese locals and international investors, Principe Real slopes up from one of the city's best viewpoints, set on the pinnacle of one of Lisbon's seven hills where Chiado, Estrela, Avenida da Liberdade and Largo do Rato meet.

Distances to local points of interest : Botanical Gardens of Principe Real is 2 minutes walk (120 metres) : Bairro Alto (The nightlife area of Lisbon with hundreds of bars, shops and restaurants) is 9 minutes walk (700 metres) : The breathtaking viewing platforms of Sao Pedro de Alcantara are 6 minutes walk (500 Metres) : The quiet square of Praca das flores with its garden, terraces, restaurants and bakeries is 5 minutes walk (350 metres) : Rato Metro station (Lisbon's Yellow line metro) is just 9 minutes walk (650 metres)

Completion date - Jun/2022
