Property Description

Plot of land with 1337m2 with a House in ruin in the Historic Center of Alcobaça. It has an architectural project already approved for 4 single-family houses with 1,228.0 M2 of construction. This is undoubtedly a great investment in a privileged location, very close to the Monastery of Alcobaça, as well as several beaches that belong to the municipality, such as Praia da Falca, Légua, Vale Furado, Água de Madeiros and Paredes da Vitória, Polvoeira and Pedra do Ouro. If there are opportunities that shouldn't be missed...this is one of them! Energy Rating: F #ref:CR327
