Property Description

Chiado Investment opportunity

Chiado is not only the most affluent neighborhood in Lisbon, but it is also the most elegant and charismatic.

From the best old-style cafe☐ and international fashion stores, including names such as Herm☐ and the fine porcelain shop Vista Alegre, to beautiful rooftop bars and cosmopolitan restaurants, Chiado offers you the real neighborhood experience.

The Victor Cordon 38 reconstruction maintains its elegant 19th Century facade, successfully blending it with a contemporary style.
