Property Description

Ecological and sustainable property in Vilamoura

This amazing development in Vilamoura will mix the lifestyle of a village with the surroundings of the very well known area of Vilamoura, with all its beach features. The Uptown Development is located very close to the International School, equestrian center and just a couple of minutes driving from the beach.

The project will contemplate villas, apartments, swimming pool for adults and children, retail area, as well as several green areas and spaces designed for the relaxation of the owners.

The properties will be designed within the landmarks of simple architectural lines. Each apartment will have outside area and parking space contemplated. The interiors will be designed in order to maximize the property's privacy and sun exposure.
