Property Description

Plot of 2160 m² ready to start construction just 1.9Km from the sea! Beautiful countryside view that can never be taken away, given that isn't aloud to build in front. Beautiful traditional architecture house licensed by the municipality, and ready to start construction (no need to wait for the long and cumbersome project approval process). House with 311.80m² of construction area (ground floor with 108m², large attic of 108m² and basement of 186.30m²). The land has all the infrastructure in place, great access and excellent sun exposure! Situated in a village of the municipality of Peniche with countryside surroundings and just 5 minutes from the beaches of São Bernardino, Consolação, Peniche and Areia Branca. 45 minutes from Lisbon. Energy Rating: Exempt #ref:BL842
