Property Description

With a privileged location next to the coast in Peniche, this 3280m² land is ideal for building a housing development. According to the current PDM (Municipal Master Plan), it is located in a level I developable area, making it possible to build 2296m² and 19 homes. It has a warehouse and ruins and has infrastructure on site. Situated in a residential area of apartments and houses next to the south coast of Peniche and less than 1 km from Cabo Carvoeiro. Excellent investment opportunity! Energy Rating: Exempt #ref:BL1018
