Property Description

Serviced Apartments perfect for investors

Residences are created with the discerning contemporary traveller in mind. Designed to ANDO LIVING standards, they will combine luxurious finishes with the familiar comfort of a home. Each apartment will be equipped with a kitchen, living and work area and comprehensive on-demand services, including concierge service, building security and 24/7 reception. Large windows invite an abundance of natural light, and elegante interiors draw inspiration from the sea and indoor/outdoor living.

Facilities

Residents will enjoy state-of-the-art facilities including a swimming pool, gym and sun terrace, as well as common living spaces that bring like-minded people together in an energising and anchored setting. At the ground level there is a central courtyard garden with cascading greenery, shaded nooks and an inviting bar that connects directly with common areas. This calming and inviting space provides a welcome sanctuary from the bustle outside.

Nestled between sky-high Graça and the Tagus river lies Alfama, Lisbon's most characterful neighbourhood adorned with pastel-coloured buildings and terracotta rooftops. In this enviable waterfront setting, Alfama Club occupies three historic buildings with stunning views of the Tagus river in one direction and vibrant Alfama in the other. In this part of the city, life happens outside. Traditional restaurants and fado bars mingle with cool sunset spots and picturesque viewpoints. Locals and visitors alike promenade along the waterfront, pausing to take in the magnificent views. In a city that is ever-modernising, Alfama sparkles with old-town authenticity and a vibrant local spirit, making this one of Lisbon's most charismatic destination .

The three historical buildings are strategically located between Lisbon's historical center and Alfama, and only a minute walk from both the Santa Apolonia Intermodal station and Lisbon's international cruise ship terminal. The club has a great courtyard and terrasse with an infinity pool overlooking the Tejo River.

56 apartments as well as a restaurant, a gym, a pool and meeting rooms.

The Club's interior is designed by Avroko, setting up Ando Living brand's standards.
