Property Description

Located in one of the most typical and engaging neighbourhoods of Lisbon, the building Gloria 14 emerges in the midst of authenticity, on one of the seven hills of the city, between Alfama, São Jorge Castle and the Mouraria. Here, you will find a traditional lifestyle, with its own beat and surrounded by the most beautiful views over the river and city.

It is in Graça, where the traditional and charismatic tram number 28 passes by, that the building was entirely rebuilt with metal and concrete structure, seeking a perfect setting in the nineteenth century architectural complex that is classified and protected by Lisbon City Council.

This apartment is a one bedroom penthouse, fully equipped and furnished, with, 52 sqm. with plenty of light and storage space.

You can also enjoy a generous terrace facing the gardens to the back of building.
