## Property Description

This very well known property has literally everything one desires in a property, for that reason, it is known as 'Number One'.

This golf front property sits on a beautiful plot with a stunning mature garden.

As you enter the house you have a beautiful water fountain, a modern and fully equipped kitchen with a dining area overlooking the swimming pool terrace.

The large living room has an elevated ceiling and windows all around giving a fantastic panoramic view.

The ground floor accommodates two very spacious suites that all have direct access to the terraces.

On the first floor, you'll find two master suites, one of them with a walk-in closet offering all the possible commodities you can imagine. Both master suites have private terraces.

The basement consists of a master suite with its own cosy sitting area. There is also a wine cellar and a state of the art cinema where you can watch the latest releases.

After watching your favourite movie it's probably time to have your work out in the fully equipped private gym.

Also in the basement, you have a laundry area and a very large garage for several cars.

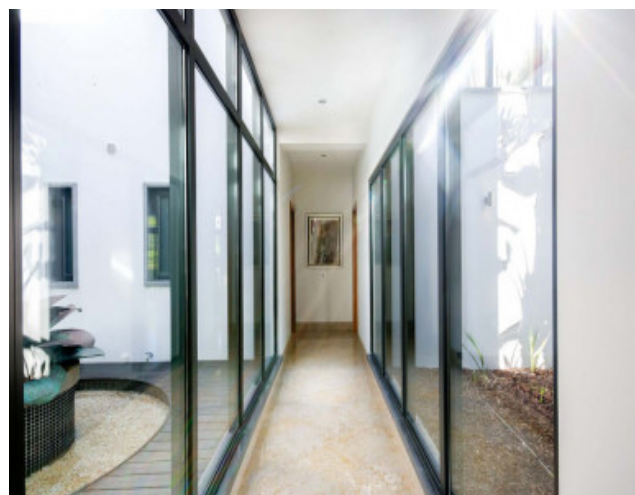

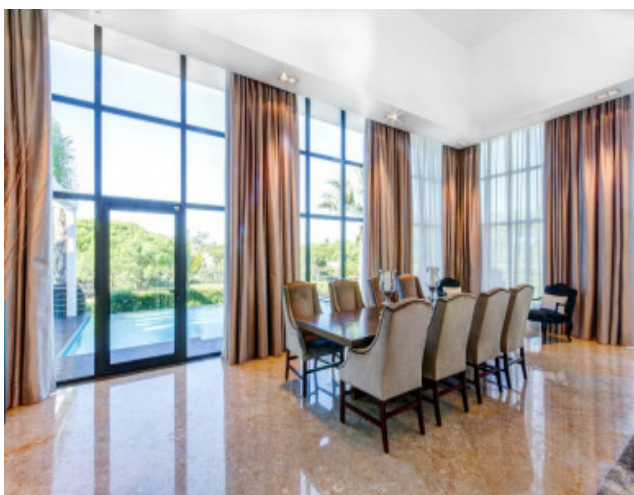

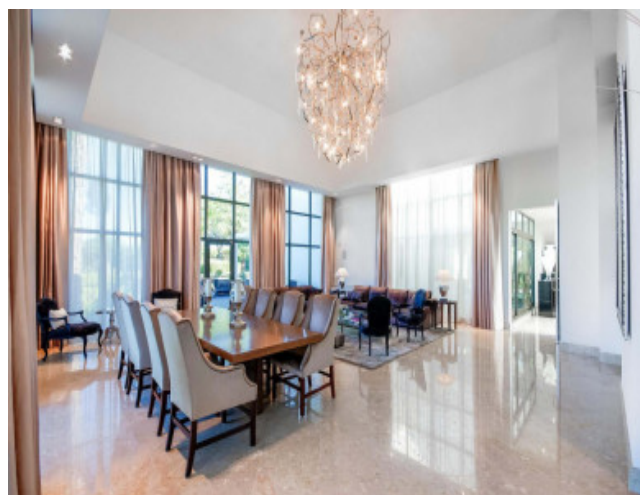

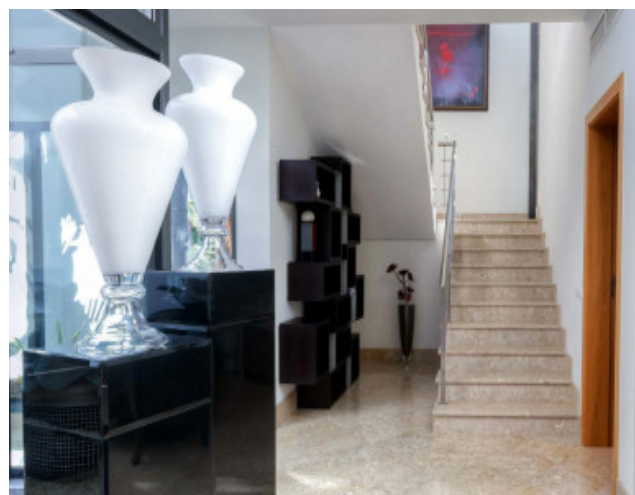

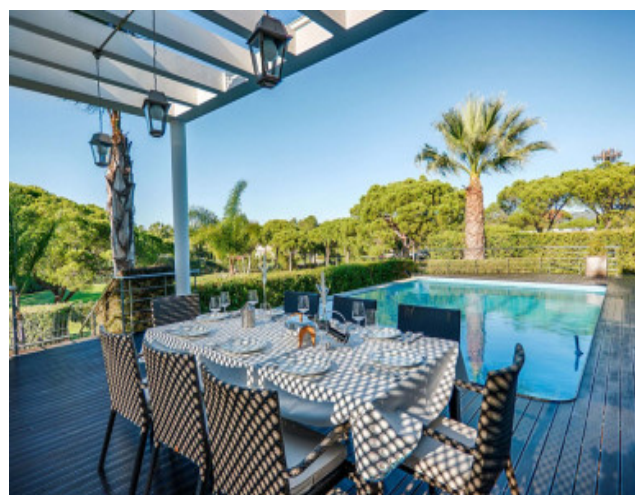

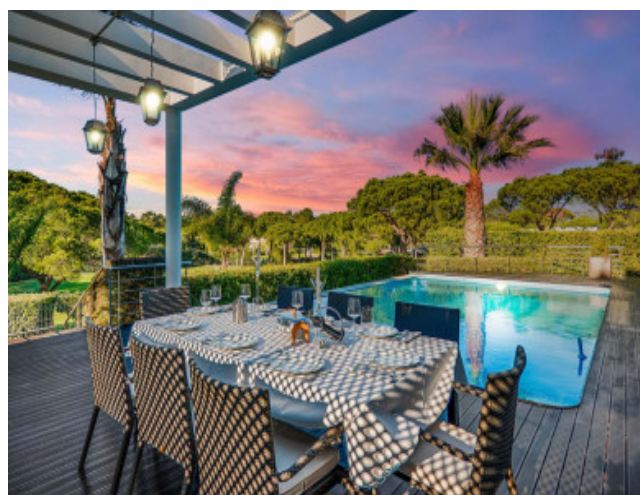

Behind the gym, there is an independent suite with direct access from the outside, and therefore could either be used as an independent guest room or as part of this spectacular villa.

The villa is surrounded by lovely terraces in order to benefit from the beautiful Algarve sun all day or simply to enjoy a meal next to the pool at the barbecue area.

All three floors are served with an elevator.
