Property Description

Designed by world-renowned architect, Vasco Viera, the project is due to be completed by 2024 and is currently being launched at introductory rates for the first investors.

The units ranging from two to four bedrooms, many with their own private infinity pools, are entirely south facing and benefit from uninterrupted sea and golf views.

The three-bedroom ground-floor apartments are introduced at the launch price of 1,450,000, they come fully furnished and fully managed by a leading local property management company, making them ideal investments for those seeking holiday homes, and relocation.

They have private front and rear gardens and large infinity-style private swimming pools.

Features Include:

Infinity swimming pool

Energy rating A making them incredibly efficient and comfortable to live in

Underfloor heating throughout the entire internal space

Fully inducted air conditioning throughout

Home automation system allowing Domotic control via a smartphone

Electric blinds with blackout curtains

Private sealed garages with room for three cars and additional storage

Video intercom system

Facilities

Large communal swimming pool

Dedicated reception with concierge services

Sauna and gymnasium

Pitch and putt golf area

Padel court

Gallery
