#### **Property Description**

The Intendente area is a central neighborhood of Lisbon that has been going through a deep renovation and has attracted many investors, young families and artists.

This commercial and residential area is a few minutes away from Baixa and will soon include a strong cultural investment in the former abandoned Desterro Hospital.

This particular apartment features a spacious living room, a fully equipped kitchen, two nice bedrooms and two bathrooms as well.

It's a good opportunity for investment and suits both short term and long term rental.

Come and book a visit.
