Property Description

Built in 2023 with 3 levels of accommodation comprising of 4 double and 2 single en-suite bedrooms with magnificent mountain views in a lovely cul-de-sac location on top of a hill with private entrance. The entrance is proposed with a pebble pedestrian path, with a strip of Agapanthus vegetation to separate car access from pedestrians.

To the front of the house there is view of the new hedge and flowerbeds and from the pebble pedestrian walkway and mosaic slabs at the entrances to the house.

Parking – A parking lot with a galvanized steel shading structure is proposed close to the house with a gravel ground cover

The Swimming pool will be dressed with a stunning Pergola to support the pool with a base on treated pine wood deck, beds with subtropical vegetation to give a cooler environment. And a Cupressus hedge to cover the slope.

To enhance the beautiful view this space has, a lookout point with a small pergola on a wooden decked Gazebo – A space on a wooden deck is also proposed for meditation/yoga and enjoy the wonderful view and the peace at Night.

The Pool Area has a Pergola based on a wooden deck surrounded by subtropical vegetation, great for spending hot nights outside, in a cool and comfortable environment.

If you are looking for a peaceful naturalistic environment in a beautiful town close to Faro and the golden triangle this is your dream property!
