Property Description

Situated within the hustling and bustling affluent town of Lagos we would like to present to you this remarkable investment opportunity to create your very own dream retirement or investment property.

The land, which is both south and south-west facing is adjacent to a very reputable and desirable hotel resort representing a very interesting location within an emerging investment area within the Algarve delivered to www.PortugalProperty.com and direct to the developer/ construction company whom of which we have many years successfully working together.

Our internal investment and development team will deliver a turn-key wonderful property boasting southern facing sea views to your requirement(s).

Lagos is becoming one of the most desirable locations within the Algarve and this particular investment opportunity is a mere 10 minutes drive from the town centre, many amazing beaches and of course for you gentlemen, some of the best golf courses in the region.....

If you would like us to deliver a full turn-key project for your dream property here in the Algarve and within this area please contact us today to discuss with the developer or our internal experienced team directly.
