## Property Description

Amazing 2 bedroom and 2 bathroom Duplex, in a fully historical refurb building, with an elevator and a lovely balcony.

The apartment comes fully equipped, with high standard finishing and great areas.

In one of the most emblematic areas of Lisbon, next to the main avenue of Lisbon, Avenida da Liberdade and the best-known squares, the Praça da Alegria, bet the creation of a single enterprise, with an architecture of excellence together with the refinement of an odd quarter of our city.

With a superb location, in the street of joy, historic, where the Pombaline architecture predominates, the building the joy is situated between the Rossio, Príncipe Real and Neighborhood High, just a few metres from the botanical gardens and Mayer Park.

This project has as its points of order recovery detail in the long term and the bet in architecture with the signing of a recognized and prestigious Portuguese architect.

In the neighbourhood you will find trade, restaurants, museums, galleries, gardens, some cafes, as well as discover the multiple accesses to all types of transport within minutes.
